

513 Hornet Squadron Sponsoring Committee

Assessment Fee & Parent/Guardian Contact Information

Assessment Fee

In partnership with the Department of National Defence (DND), the Air Cadet League of Canada delivers the Air Cadet Program. While the core elements of the program are provided at no cost to the Cadets, an assessment is charged by the Squadron Sponsoring Committee (SSC). This assessment helps cover the costs of optional training and equipment not covered by the DND, the maintenance and costs associated with the squadron building, as well as the annual BC Provincial Committee (BCPC) assessment.

The 513 Hornet Squadron Cadet Assessment for the 2023 / 2024 training year is set at \$200.00. The assessment fee must be submitted along with the registration documents required for each new and returning cadet. **Cheques should be payable to 513 Hornet Squadron Sponsoring Committee.**

Please note, no cadet will be refused registration or disadvantaged in any way because of their parent/guardian's inability to pay this assessment. All requests for hardship exemption of this fee must be submitted to the SSC Chair by the parent/guardian. All communication in this regard will be kept confidential between the parent/guardian and the SSC Chair.
